

Fireworks Own Work

As it was recently Diwali and bonfire night we'd like you to do some own learning that is connected to fireworks.

Some ideas:

- Research the historical origins of bonfire night.
- Research why is Diwali celebrated with fireworks
- Make some firework themed art.
- Write a short story based around firework night.
- Make a safety poster informing people of how they can stay safe around fireworks.

Remembrance Day Own Learning

On Remembrance Day. We are going to have an assembly and we'd like you to do some own learning connected to this.

Here are a few things you could do:

- Design poster explaining why we have Remembrance Day
- Create some poppy art
- Research what Remembrance Day is
- Write a poem inspired by Remembrance Day
- Write a factual account of a Remembrance Day event you've been to
- Create a sculpture of something poppy or Remembrance Day inspired
- Write about someone you know who has been involved in war

Teeth and Digestion Own Work

In science this term we have been looking at human teeth and digestion. For your own learning this week, we would like you to carry out some further research.

Some ideas:

- Make a model of human teeth or the digestive system.
- Write an explanation or make a fact file about how our bodies digest food.
- Design a new toothbrush.
- Produce a poster to inform people how to look after their teeth.
- Carry out some research on the teeth of other animals.

Year 4 Autumn Term 2 2025 : Own Learning Menu

Choose as many of the tasks as you would like! You could do one weekly, every two weeks or spend a longer time perfecting one task.
It is up to you.

Due: Friday 18th December 2025

Persuasion Own Work

In literacy, we have been learning about persuasion. We have been creating our persuasive posters and writing a persuasive letter.

Here are a few things you could do:

- Make a delicious healthy jelly that contains fruits or vegetables or both.
- Write up a recipe with the ingredients for your healthy jelly.
- Create a persuasive poster about a different food product.
- Write your own radio script about a food related product you're trying to sell.
- Record yourself trying to sell a food product that you have at home.

Advent

In RE we have been thinking about Advent and how Christmas is celebrated around the world. We would like you to think more about this for your own learning.

- Can you research one other country and how they celebrate Christmas? Can you make an information poster about what Christmas traditions you will find in another country?
- Create an advent wreath - this could be a model or a picture.
- Write a poem inspired about Christmas traditions in a country.
- Father Christmas' elves love cracking codes! Can you make a code cracker - or solve ours on Google Classroom.
- Make your own imaginative tree decoration.
- Make a food item that would be shared at Christmas.

Times tables

- Play on Times Table Rockstars. Let us know your speed at the beginning of the week and your speed at the end of the 2 weeks. Can you become a rock hero? How many coins can you earn?
- Can you turn a times table green?
- Create a times table poster for the times table you are working on, or the one you find the trickiest. Make sure it is clear, but also bright and colourful!
- Create a times table game to help you learn and remember your times tables.
- Make a booklet out of the times table sheets you complete in the 2 weeks.
