Literacy
### The Highwayman

- Write a diary entry as one of the characters in the poem.
- There are multiple front covers for The Highwayman. Have a go at creating your own.
- Write your own narrative poem
- Create a piece of artwork or DT model relating to the poem (the purple moor, the inn, a character from the poem etc)
- Research Highway Robbers. When did they exist? What can you find out about them?

Art

- Create your own piece of artwork inspired by Franz Marc or Henri Rousseau.
- Create a tonal scale for a warm and a cold colour.
- Research one of the artists we are learning about.

Events in the term: Anti-Bullying Week, Remembrance Day, Bonfire Night

- Create your own anti-bullying advert that could be shown in schools.
- Create a top tips poster for what to do if you are being bullied.
- Research what Remembrance Day is
- Create a sculpture of something poppy or Remembrance Day inspired
- Write about someone you know who has been involved in war
- Create some firework art
- Find an interesting science experiment involving light and colour

PSHE - Community and Democracy

- In your own words, write a definition for democracy and list at least 10 countries that have a democratic government.
- Create a slogan for your own political party. Draw a picture to match your slogan and include the top 3 things your party would improve in Reading.
- Think about a local problem that we could ask the local government to help with – Write a letter or make a poster to show what the problem is and what could be done to solve it.

Year 5
AUTUMN TERM 2 2025
Own Learning Menu
Due: Friday 12th December

University

This term we have our first university courses.
Create a poster, video, blog or podcast explaining what your course is and what you have been doing.
Focus on entertaining your audience and making them think about whether this would be a course they would like to do if they saw it next time.

Computing

- Create a list of real life examples of automated processes
- Create a glossary for the following terms:
  ❖ Data
  ❖ System
  ❖ Automated
  ❖ Input/Output
  ❖ Component
  ❖ Communication
  ❖ Collaboration
  ❖ Network
  ❖ Search engine
