

### LITERACY

We will be building on our story writing skills with a unit based on the picture book Jumanji. Children will have the opportunity to write their own story where their everyday surroundings transform!

### MATHS

In Maths this term we will be exploring length and measurement. Continuing to find perimeter and area of more complex shapes. We will be moving forward on multiplication and division and learning formal written methods.

### SCIENCE

In science this term we will be studying electricity. The children will learn to build a simple circuit with a switch. Recognise some **common conductors and insulators**, and associate metals with being good conductors of electricity.

### READING

In this half term we will be reading The Iron Man by Ted Hughes. Some children will continue with smaller guided reading groups using this and other texts.

### FRENCH

We will continue our unit on school, the subjects we learn and what we like.

## YEAR 4 CURRICULUM NEWS SPRING TERM 1 2025

### PSHE and RE

In PSHE, we will continue to learn about the best ways to stay safe in the sun, near water and what to do in an emergency.

In Re we will be learning about Sikhism - and answering the question. Do Sikhs think it is important to share?

### PE

This half term we have a specialist dance teacher. These sessions will take place on a **Tuesday**. Our outdoor PE will be outdoor adventure-team building games on **Wednesday** for Mr Fox and Mrs Raven's class and **Thursday** for Mrs Metcalf.

### GEOGRAPHY

We are going to studying Italy in Europe. We will be looking at maps and tourism in Italy. We will be making comparisons between the UK where we live and Italy.

### DT

We will be designing, making, testing and evaluating our own food products. Children will be tasting existing products and then coming up with their own recipes for bread.

### COMPUTING

We will be learning how to look at data, how to share data and also how to represent data in different ways.
