

LITERACY

Our literacy unit this term will be inspired by the text, *The Lion, The Witch and the Wardrobe*. We will be working on setting and character descriptions, and writing our own versions of this story.

MATHS

We will be continuing with the unit on fractions before moving onto looking at mass and capacity.

We will continue to focus on mental maths and times tables.

READING

For the first half of this term, we will be working on the text *Amazing Islands*. We will be building on our knowledge of non-fiction texts and using these features to answer questions. We will also have the chance to write our own questions. Afterwards, we will be exploring poetry. We will mainly be focusing on our retrieval, inference and vocabulary skills.

Science

In our science unit, we will be finding out about light: where it comes from and how to protect ourselves from it. We will also be investigating how shadows are formed and how they change.

MUSIC

In music lessons we will compose with three notes and look at samba.

**YEAR 3 CURRICULUM
SUMMER TERM 1 2026**

Dates for Your Diary:

- Thursday 30th April - Miss Hines' Class Assembly (8:50am)
- Friday 1st May - Ufton Court trip
