

<u>LITERACY & READING</u> Our literacy and reading unit for this half term is based on the book <i>The Ice Palace</i>. We will be using this book to consolidate our reading skills. We will also use it to inspire different types of writing both fiction and non-fiction. 	<u>MATHS</u> We will be reviewing our fraction skills this half term. We will also be learning to tell the time, learn about angles as well as the properties of shape.  We will continue to focus on mental maths and times tables.	<u>Computing</u> In computing, we will be working with data. We will learn how to sort the data and present it using computer programs. Afterwards, we will use it to make conclusions based on the results. 	<u>History</u> We will continue learning about the Romans. 
<u>RE</u> In RE, we will be exploring what meaning and significance is attached to sacred places and special places in Christianity and Islam. 	YEAR 3 CURRICULUM SUMMER TERM 2 2026 <u>Dates for Your Diary:</u> Friday 12th June -Summer Fayre from 3:15pm Friday 26th June - Inset Day (school will be closed) Wednesday 22nd July - Last day of term		<u>FRENCH</u> We will be continuing to say the parts of the body, numbers to 31 and months of the year, including birthdays. 
<u>PE</u> Our outdoor PE will be athletics and cricket. PE days Miss Smith- Monday and Tuesday Miss Batsford- Tuesday and Friday Miss Hines- Monday and Friday	<u>Geography</u> We will be learning about weather around the world. We will be discovering different climate zones and what it would be like to live there. 	<u>Art</u> In art we will be using the weather to inspire our artwork 	<u>PSHE</u> We will be learning about the ways that families are different as well as about growing up and getting older. We will also be reviewing what makes a good friend. In addition, we will discuss personal space including the 'my pants' rule.
