

This is the handwriting model used by Geoffrey Field Junior School. You will notice that letters have lead in strokes as well as exit strokes.

This is to help children to join their handwriting. There are loops for letters that fall below the line, but there are no loops above the line.

If you want your child to practice individual letters this is what they look like:

Aa Bb Cc Dd Ee Ff Gg

Hh Ii Jj Kk Ll Mm Nn

Oo Pp Qq Rr Ss Tt

Uu Vv Ww Xx Yy Zz
