

LITERACY

In literacy we will be using a short film to write in a variety of responses. We will also be learning the skills needed to write a detailed recount of our experiences.

$$\begin{array}{r} 10784.36 \\ 5 \overline{) 519372} \\ \underline{2719372} \end{array}$$

MATHS

In Maths we will be covering the following units during the Autumn term

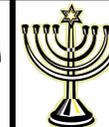

- Numbers to 1000
- Roman Numerals
- Addition & subtraction
- Multiplication & division

SCIENCE

Our first science topic of the Autumn term is sound. After half term we will be learning about electricity and using this learning to help us design a toy alongside our computing and DT unit.

RE

In the Autumn term we will be learning about Judaism, focusing on the importance of Passover. Towards the end of the Autumn term we will be looking at the Christmas Story.

COMPUTING

YEAR 4 CURRICULUM NEWS AUTUMN TERM 2018

For the first half term we will be focusing on how we can keep safe online. During the second part of the term we will be using programs to help us to design an interactive toy, linking with our electricity and DT unit.

PSHE

In PSHE will be thinking about friendships and making good choices. We will also be looking at what it means to have a positive mindset.

MFL – FRENCH

During the Autumn term we will be building on our knowledge on basic vocabulary and revisiting our learning.

MUSIC

In music we will be learning to play the steel pans. We will have a weekly lesson with a steel pan teacher during the school day.

PE

Year 4 will have PE on a Monday. This term our focus is tennis and tag rugby

TOPIC

We will be focusing on History this term with our topics being the Romans and Anglo Saxons.

ART

In art we will be learning a range of drawing techniques.

DT

In the second part of the Autumn term we will be exploring different mechanisms and using our science and DT learning to help us to design a toy.
