

LITERACY

We will begin the year revising our year 3 skills using the short film 'The Wish Granter'. Our second Literacy unit for the half term will be fables.

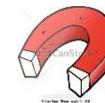

MATHS

To start the year, we will revise our year 3 maths skills. We will then be working on our place value skills, looking at numbers up to 10 000.

SCIENCE

In Science we will be investigating the topic of sound. We will look at how sound is made, how it travels and investigating pitch.

RE

Our key question for our RE topic this term is: How special is the relationship Jews have with God?

FRENCH

In our French lessons we will revise the skills we looked at in year 3, such as numbers, colours and animals.

YEAR 4 CURRICULUM NEWS AUTUMN TERM 1 2020

HELPING YOUR CHILD AT HOME

Please help your child at home by encouraging them to read at least 3 times a week and signing their reading records.

Bug Club, and Times Table Rockstars are excellent ways to practice reading and maths at home. Please ask your child's teacher if you have any trouble logging on.

PSHE

In our PSHE lessons we will begin the year by looking at how to stay happy and healthy now we are back at school.

PE

This half term, we will be learning how to play tennis and hockey. Both lessons will be taught outside, so please remember appropriate PE kit.

GEOGRAPHY

Our Geography topic is 'Being in Berkshire'. We will look at what makes Berkshire unique and how it compares to different counties.

ART

We will be using two different mediums, printing and painting, during our art lessons this half term.

COMPUTING

We will begin the year looking at how to use the internet safely and what we can do if we see something we do not like.
