

LITERACY

We will begin the half-term writing our own non-chronological reports. Later in the half term, our Literacy lessons will all be based around a short film.

MATHS

We will be continuing to study multiplication and division, before applying all of our year 5 knowledge to help us solve word problems.

HISTORY

Our history study this half term is going to help us find out more about our school, and what it was like to be a student here since it opened in the 1950s.

PSHE/RE

In PSHE we will be looking at issues that we might face, such as stereotyping and prejudice.

In RE, we will be focusing on the topic 'Is the Christmas Story true?'

COMPUTING

In our computing topic 'We Are Game Developers' we will be using Scratch to help us design, create and evaluate our own computer game.

YEAR 5 CURRICULUM NEWS AUTUMN TERM 2 2018

SCIENCE

Our topic this half term is Earth and Space. We will study the different planets, how the solar system was formed and why the moon looks different shapes.

MUSIC

In music we will be learning Christmas hymns and carols, ready for our Christmas Carol Concert.

PE

This half term, we will be learning how to play hockey and completing OAA (Outdoor Adventurous Activities) such as orienteering and map work.

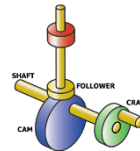

FRENCH

In French, we will be continuing to practice our conversational skills, building on knowledge from last year.

D.T.

In DT, our focus is mechanisms. We will study how different mechanisms move, before designing, making and evaluating our own toys.

HELPING YOUR CHILD AT HOME

- read regularly with your child and talk about the book
- help your child to practise their weekly spellings and times tables
- encourage your child to use Times Table Rockstars, Mathletics and Bug Club at home
