

## LITERACY

Our first Literacy focus in year 5 is Newspapers. We will study the features of a newspaper before writing our own newspaper report.

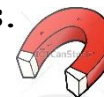

## MATHS

We will begin the year studying place value, looking at numbers up to 1 000 000. This will be followed by addition and subtraction.

## SCIENCE

In Science we will be investigating materials and their properties. We will create our own experiments to test a variety of materials, thinking about reversible and irreversible changes.

## RE

Our key question for our RE topic this term is: What is the best way for a Hindu to show commitment to God?

## FRENCH

In our French lessons we will start by revising our basic conversation skills, before moving on to...

## YEAR 5 CURRICULUM NEWS AUTUMN TERM 1 2018

### HELPING YOUR CHILD AT HOME

Please help your child at home by encouraging them to read at least 3 times a week and signing their reading records.

Bug Club, Mathletics and Times Table Rockstars are excellent ways to practice reading and maths at home. Please ask your child's teacher if you have any trouble logging on.

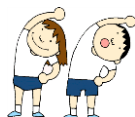

## PSHE

In our PSHE lessons we will be discussing different feelings, how we all show our emotions differently and how to deal with our feelings appropriately.

## PE

We will be taking part in martial arts lesson on Tuesdays, which is taught by a specialist teacher. We will also be learning how to play lacrosse.

## GEOGRAPHY

Our Geography topic is Natural Disasters. We will look at how and why different natural disasters occur.

## ART / D.T.

We will be using different mediums, such as drawing, printing and digital media to create artwork based on the theme The Power of Nature.

## COMPUTING

We will begin the year looking at how to use the internet safely and what we can do if we see something we don't like.
