Geoffrey Field Junior School

At Geoffrey Field Junior School, we recognise the contribution of PE to the health and wellbeing of our children. We are committed to ensuring that all of our pupils have access to a minimum of 1.5 hours of PE per week, either taught by a school member of staff or by an external provider. We acknowledge that a broad, balanced, high quality curriculum has a positive impact on concentration, attitude and achievement. The school strives to offer a sport or activity that each pupil can take part and participate in and enjoy.
